INFRATECH 2017

INFRATECH makes connections – find a partner

Infratech 2017 – the meeting venue for professionals in the field

Infratech exhibition visitors (Visitor survey 2015):

- Independently make acquisition decisions or participate in such decisions
- Typically work in organisations as officers or positions of higher or middle management
- Visit the exhibition in order to stay apprised of the latest developments, to create customer contacts and to plan acquisitions
- Primarily represent municipalities or private companies, and come to the exhibition from all over Finland.

The Infratech 2017 exhibition is expected to attract 5,000 visitors and approximately 200 exhibitors. The space rental fees for Infratech 2017 are the same as earlier. The outdoor spaces are even cheaper than in 2013, when the exhibition was last held in Jyväskylä.

The exhibition is one of the many events scheduled for the 18th Infratech Week.

During the week, the associations involved in the exhibition will arrange the following training and seminar sessions for a fee:

Centennial seminar given by the Finnish Road Association	STY	Wed, 10 May
Gathering for young professionals in the water supply and sewerage field	FIWA	Wed, 10 May
Water Supply Management 2017	FIWA	Wed-Thu, 10-11 May
Training days for engineers and supervisors at water supply and sewerage facilities	FIWA	Wed-Thu, 10-11 May
Waste Management Seminar 2017	JLY	Wed-Thu, 10-11 May
INFRA Board and Representative Council meetings	INFRA	Thu, 11 May
INFRA Executive Managers' conference.....	INFRA	Thu, 11 May
Road Managers' conference	STY	Thu, 11 May
Annual Conference of Municipal Engineering	SKTY	Thu-Fri, 11-12 May

The YT-Forum stage will feature free lectures and information sessions for exhibition visitors on both days of the event!

Staunch representation – Infratech is being organised by five key organisations in the infrastructure sector

The Infra Contractors' Association, INFRA, is an organisation overseeing the interests of the earthworks, hydraulic engineering, asphalt and aggregate industries.

The Finnish Association for Municipal Engineering (SKTY) is a professional information exchange forum for engineers, architects and other municipal infrastructure experts in charge of carrying out demanding engineering tasks.

SUOMEN TIIEYHDISTYS

The Finnish Road Association (STY) will bring to the exhibition its expertise in road, highway and traffic development.

The Finnish Solid Waste Association (JLY) and its interest groups represent the cutting edge in the area of circular economy and municipal waste management.

The Finnish Water Utilities Association (FIWA) strives to facilitate and support the operational environment and functions of water supply and sewerage facilities.

Exhibition space reservations:

Exhibition Manager Anna-Maija Hallikas
tel. 044 553 5263.
anna-maija.hallikas@yhdyskuntatekniikka.fi

The space rental does not include any structures, electricity, furnishings or cleaning. These services can be hired through Jyväskylä Fair Ltd.; enquiries Ari Barck, tel. +358 (0)14 334 0041, ari.barck@jklmessut.fi.

INVOICING

The registration fee and space rental will be invoiced upon registration. If the exhibitor wishes to be invoiced in two instalments, this should be stated in connection with the registration. In this case, the invoice for the first instalment will include the registration fee and 40% of the space rental. The final 60% of the space rental will be invoiced after 3 April 2017. Participation in the event requires that the registration fee and entire space rental have been paid in full before the start of the exhibition.

If the exhibitor cancels the registration, the registration fee will not be refunded. If the registration is cancelled after 13 April 2017, an additional cancellation fee of 25% of the space rental will be charged.

REGISTRATION

For more information, please send an e-mail to anna-maija.hallikas@yhdyskuntatekniikka.fi.
Registration will close on 13 April 2017.

HOTEL RESERVATIONS

Exhibitors will receive a booking code for room reservations and instructions for making reservations in connection with their registration for the event.
